

RIGA LED bulkhead oval 12W 960lm 4000K

Technical information

SKU: PL-O-12W-4000K-E Category: Plafons
Tag: 6920057103018

Power:	12W
Color temperature:	4000K
Product size:	174 x W85 x H55 mm
Operating temperature:	-20 +45 C°
Voltage:	220-240 V AC
Frequency:	50/60 Hz
Life span:	25000h
Beam angle:	120°
CRI:	≥80
PF:	≥0.50
IK:	IK10
IP:	IP65
Color body:	white
Usage:	inside/outside
Pcs in masterbox:	40pcs
Warranty:	2 years
Mounting spot:	wall/ceiling

The Riga LED Bulkhead (oval form) is a stylish and versatile lighting fixture offered by Eurolight. With its sleek design and powerful illumination capabilities, this bulkhead light is an excellent choice for both residential and commercial settings.

Featuring a power output of 12 watts, the Riga LED Bulkhead emits a bright and energy-efficient light, making it ideal for illuminating various indoor

and outdoor areas. Whether you need to brighten up a hallway, a patio, or a garage, this lighting fixture provides ample luminosity to enhance visibility and create a welcoming atmosphere.

The Riga LED Bulkhead produces a luminous flux of 960 lumens, ensuring that your space is adequately lit. Its color temperature of 4000 Kelvin offers a neutral white light, striking a balance between warm and cool tones. This lighting temperature promotes a clear and vibrant environment, making it suitable for tasks that require focus and concentration.

Durability is a key feature of the Riga LED Bulkhead Oval. Built with high-quality materials, this fixture is designed to withstand the test of time and various weather conditions. It is resistant to water and dust, boasting an IP65 rating, making it suitable for installation in both indoor and outdoor environments.
