

RIGA LED bulkhead round 12W 960lm 4000K

SKU: PL-R-12W-4000K-E Category: Plafons
Tag: 6920057124204

Technical information

Power:	12W
Color temperature:	4000K
Product size:	Ø157 x H50 mm
Operating temperature:	-20 +45 C°
Voltage:	220-240 V AC
Frequency:	50/60 Hz
Life span:	25000h
Beam angle:	120°
CRI:	≥80
PF:	≥0.50
IK:	IK10
IP:	IP65
Color body:	white
Usage:	inside/outside
Pcs in masterbox:	40pcs
Warranty:	2 years
Mounting spot:	wall/ceiling

Riga LED Bulkhead delivers a powerful and energy-saving lighting solution. It emits a bright and evenly distributed light, providing ample illumination for various settings. Whether used in corridors, stairways, balconies, or gardens, this fixture ensures excellent visibility and creates an inviting ambiance.

Riga LED Bulkhead offers a substantial amount of light output. This ensures that your space is well-lit and visually appealing. The color temperature of 4000 Kelvin provides a neutral white light, striking a balance between warm

and cool tones. This lighting temperature creates a pleasant and welcoming atmosphere suitable for both task-oriented activities and relaxation. With its IP65 rating, this fixture is capable of enduring various weather conditions without compromising its performance or longevity.

The installation process for the Riga LED Bulkhead is simple and hassle-free. It can be easily mounted on walls or ceilings, offering flexibility in placement. Additionally, its low power consumption contributes to energy efficiency, helping to reduce electricity costs and minimize environmental impact.
