

AMSTERDAM TRI-PROOF LED fixture 60W 140lm/W 4000k

SKU: TP-12-60W-4 Categories:
AMSTERDAM series tri-proof LED fixtures,
Tri-proof fixtures Tag: 6920057120329

Technical information

Power:	60W
Color temperature:	4000K
Product size:	1200 x 91 x 75 mm
Operating temperature:	-40 +50 C°
Voltage:	200-240 V AC
Frequency:	50/60 Hz
Life span:	50000h
Beam angle:	160°
CRI:	≥83
PF:	≥0.95
IK:	IK10
IP:	IP66
DRIVER type:	BOKE
Material:	Aluminium housing + Frosted PC
Color body:	white
Usage:	inside/outside
Pcs in masterbox:	6pcs
Warranty:	5 years
About the product:	0.5 m cable fixed in one end; surface-mounted accessories included

Introducing the Amsterdam Tri-Proof LED Fixture, a high-performance lighting solution designed to withstand demanding environments while delivering exceptional illumination. Manufactured by EuroLight, it's a

delivering exceptional illumination. Manufactured by Eurolight, a trusted name in lighting technology, the Amsterdam Tri-Proof LED Fixture is specifically engineered to provide reliable performance in challenging settings.

The Amsterdam Tri-Proof LED Fixture is part of the Amsterdam Series, a range of tri-proof fixtures known for their durability and efficiency. Built with a rugged design, this fixture is rated IK10, offering exceptional resistance to impact and vandalism. Additionally, with an IP65 rating, it provides reliable protection against dust and water ingress, making it suitable for use in demanding environments.

The Amsterdam Tri-Proof LED Fixture emits a neutral white light with a color temperature of 4000K, creating a comfortable and productive lighting environment. Whether used for task lighting or general illumination, this fixture provides uniform light distribution, reducing glare and enhancing visual comfort.
