

# ELIZA

## General data:

Mounting type:	foundation
Luminaire body:	aluminum
Operating temperature range:	from -20°C to +45°C
Lifetime L80B10:	100 000h
Ingress protection IP:	IP65
Impact protection IK:	IK08

## Optical data:

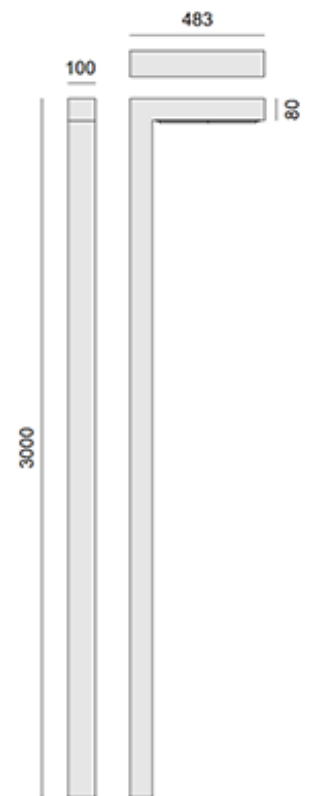

Light distribution:	symmetrical, street, park
Contains light source:	yes
Optical system:	lens
Material:	PMMA
Protection class:	I

## Lighting data:

Colour rendering index:	CRI>70
Type of source:	LED

## Electrical data:

Nominal voltage:	220-240V AC
Nominal frequency:	50-60Hz
Dimming:	ON-OFF
supply box:	inside the luminaire
wiring:	through
tolerance of luminous flux:	SDCM<3
colour tolerance SDCM:	+/-10%
light emission:	direct
connection:	connector in a box

The economical outdoor light pole Eliza is the perfect choice for those seeking a stylish, durable, and cost-effective lighting solution. It is suitable for both private gardens and commercial spaces, enhancing the aesthetics and functionality of the illuminated areas.
